

Note: Place table top "underside facing up" on a smooth surface (preferably a carpeted floor)

216 Table Base ASSEMBLY INSTRUCTIONS

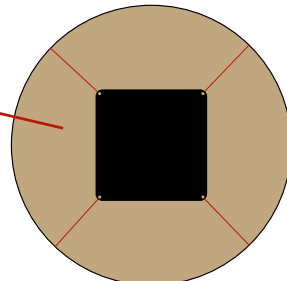

Assembled Table

Red lines represent equal measurement from corner of table base top to the edge of the table

Centering the Table Base onto the table top

- Using the tick marks provided on the side of the instruction sheet, measure from the corner of the table base top to the edge of the table.
- Work your way around, ensuring each corner is the same.
